Update: The School of Excellence and Pikes Peak BOCES closure extended to April 17th

Dear School of Excellence Community,

The Pikes Peak BOCES will join El Paso County school districts in suspending in-person learning from March 23 to April 17. The governor signed an executive order on Thursday, March 18, 2020. This action is necessary to mitigate the spread of COVID-19 in Colorado. At this time, students will return to school on Monday, April 20, 2020.

We will have follow-up communication on class dojo, the website, and Infinite Campus.

Our goal is always to protect the safety, health and wellness of our students, staff, and families. Our strength as a community is our greatest asset. We can work together to protect each other and slow the progression of COVID-19.

We will continue to remain in contact with public health officials, elected leaders and neighboring school districts and keep you updated with new information as it becomes available. We thank you for your support and partnership in this effort.

Sincerely,
Susan Flores
Principal; SOE
