Mandatory Conference Guidelines

THE TRAINER MUST READ THIS TO ATTENDEES AT THE BEGINNING OF YOUR CONFERENCE.

1. Parking: Bus parking for the School of Excellence is marked on the maps located on the doors. Please check the map to make sure that you are not parked in no parking zones. Vehicles that are in these areas will be towed at the owner's expense. If you need to move your vehicle, please wait until the end of this announcement.
2. This building has secure access in the event of a lockout, lockdown or shelter in place event as this building houses *both a school and admin offices*.

Please **DO NOT** prop any of the doors open for this reason. In the event of a lockout/lockdown or shelter in place, we follow the ***EMERGENCY WHEN YOU HEAR IT. DO IT*** protocol. This information should have been emailed to you, & can also be found in various places around the room.

In the event of an emergency, we **require** the following:

- In the event of a lockout or lockdown, please follow posted procedure and **do not** attempt to leave as opening doors may compromise the security of the entire building. This includes leaving the room you are in, not just the building as a whole!
 - Emergency exit plan: Go out the same door you came in.
 - In the event of a fire or drill, please allow any students to **exit first**. The student body here are all special needs and may take more time to exit. Please be patient.
3. This is a tobacco free campus. Smoking on school grounds is not permitted, even in personal vehicles.
 4. If you encounter a student in the hall, please do not attempt to engage with them. Our staff will tend to them.
 5. There is only one elevator in the building; it is located just inside the School of Excellence foyer on the other side of the building.
 6. Please keep conference room doors *closed* while training is in session.
 7. Visitor badges **MUST** be worn at all times while in the building.
 8. Staff Lounges are for BOCES/SOE Staff Only.
